

# Orthopedic Equipment

*Ward Drug Company of Nashville is your single stop shop for any specialty medical equipment needs. Greg Blackett, Orthopedic Specialist, custom fits special need back braces in addition to other specific equipment needs. Ward Drug direct bills your claim to Medicare, Medicaid and private insurance for all covered medical equipment.*

*When your next need for a brace arises, whether back, wrist, ankle, knee or neck... call on the professionals at Ward Drug Company to provide you with the peace of mind that you or your loved one's medical equipment needs have been professionally fitted and expertly filed. Greg Blackett and associates await your visit or call today to assist you with all Medicare/Medicaid private insurance needs.*

## Home Medical Equipment

Our service includes standard equipment such as:

- Wheelchairs
- Walkers
- Bathroom Needs
- Canes and Crutches

In addition we specialize in custom orders including oversized equipment, diabetes aids for the blind, breathing disorders, ostomy supplies and diabetic foot care.

Please feel free to contact us with questions concerning your medical equipment coverage and your out of pocket expense. Ward Drug Company readily identifies your specific Medicare, Medicaid and insurance coverage, keeping your out of pocket expense to a bare minimum.

Call Greg today for more information before making your important purchase decision.
